Scholarships 101

Whether you're planning to attend a four-year university, community college, trade school, or career and technical education program, there is a scholarship opportunity for you.

IMPORTANT DATES:

Applications Open:	Applications Close:	Honors Night
Dec. 1	**Jan. 31**	**Apr. 25**
2026	2027	2027

APPLY USING APPCENTRI:
Scan the QR code or visit the link to register for AppCentri. You'll use ClassLink during registration. You can create your account anytime, even before applications open!
app.appcentri.com/sign-up/920-894

BEFORE YOU APPLY

Tips for Success:
- Start early! Don't wait until January 31!
- Use your personal email and phone number when possible.
- Be specific with your experiences and goals
- Read eligibility requirements carefully
- Apply for multiple scholarships.
- Proofread, proofread, proofread!

Explore all Paths:
- Scholarships aren't just for four-year colleges
- Career and technical education counts, too.
- Think cosmetology, radiology, culinary arts, dental assisting, welding, and more!
- Don't count yourself out! Scholarships consider more than grades

Think about your references:
- Choose someone who knows you well.
- Ask early! Requests are sent through AppCentri
- ***Student-athlete?*** *Consider someone other than your coach, who may help select winners.*

Have your transcript ready:
- Required for most scholarships
- Find yours in NebSIS > Student Reports
- Unofficial transcripts are accepted!

Need Help Using AppCentri?
Watch the Student Demo to learn how to navigate the platform. Additional FAQ videos are available once you've created your account.
