

Give\$4Gretna

Benefits the Gretna Emergency Family Fund

Frequently Asked Questions:

Q: Can I give a one-time gift that equals the \$4, \$8, or other monthly dollar amount?

A: Yes. You can give a one-time donation under the custom option on the website OR send a cash or check donation with your name, building, and shirt size (if applicable).

Please send those donations to the Admin Building -
11717 S. 216th Street, Gretna, NE 68028 to Holly Radke's attention.

Q: When will the t-shirts be available?

A: The Foundation will pull numbers towards the end of September to get a large bulk order placed, and shirts should be ready by mid-October.

Q: How do people access these funds?

A: A google form will be available for building Administrators and Counselors to fill out. You may also contact Holly Radke at 402.332.2884 (ext. 1042) or hradke@gpsne.org.

Q: How do building incentives work?

A: For the first building to get to 75% participation, I will coordinate a day that works best for that building to have the Beanery Truck come in. The same goes if we get a building to 100% participation for lunch. I will also work with the administrator on the type of lunch we cater.

Q: How will you scale the buildings?

A: We will scale each building based on the total number of employees. I will also share percentages per building as the weeks go on to build support. Names will NOT be given out on who has donated; only the total number will be given from each building.

Q: Can I give at anytime?

A: Yes, you can give at any time this school year.
