

Highlights 2024-2025

INAUGURAL GRETNA GAME CHANGER GALA

We hosted our first annual Gretna Game Changer Gala to support student mental and behavioral health initiatives. Thanks to the generosity of our community, we raised over \$178,000 to advance these vital programs.

SCHOLARSHIPS FOR GRADUATING SENIORS

At this year's Local Honors Night, 157 scholarships totaling over \$150,000 were awarded to Gretna High and Gretna East graduating seniors continuing their education beyond high school.

CLASSROOM GRANTS PROGRAM

The Foundation awarded 29 classroom grants totaling more than \$34,000. These grants fund innovative classroom projects, enhance student learning, and create unique educational experiences.

EDUCATIONAL EXCELLENCE AWARDS

In partnership with MCL Construction, we honored 16 exceptional educators and staff members across the district through our Educational Excellence Awards program.

GRETNA KIDS CONNECTION

The Foundation continues to oversee Gretna Kids Connection, offering affordable before- and after-school care, as well as a summer program. This service is available in all eight elementary schools within the district.

Highlights 2024-2025

* STUDENT NEEDS FUND

The Foundation is actively growing the Student Needs Fund through staff and community giving, as well as targeted fundraising drives. This fund helps ensure all students have the resources they need to succeed.

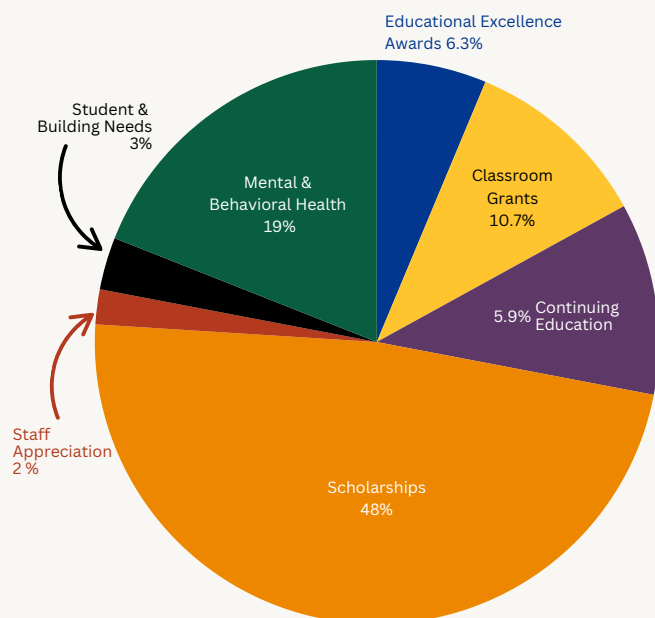

* META DATA CENTER COMMUNITY ACTION GRANT

We were honored to receive a \$25,000+ grant from Meta, which will fund the purchase of Sphero Robots to enhance STEM education in all eight elementary schools.

* GRETNA ALUMNI NETWORK

We are laying the foundation for a strong Gretna Alumni Network to celebrate school spirit and strengthen community ties.

HOW THE FUNDS WERE SPENT IN 2024/25
